

DENTAL SING ALONG

"ARE YOUR TEETH CLEAN AND WHITE"

(SUNG TO THE TUNE "DO YOUR EARS HANG LOW?")

Use the hand gestures described below to make the song more fun!

Lyrics:

Are your teeth clean and white?

Point with both hands to your mouth.

Do you brush them every night?

Use your index finger to make a brushing motion in front of your mouth.

Do you brush them in the morning?

Use your arm make an arching motion over your head to symbolize the sun rising.

Do you brush them all at night?

Put your hands together, close your eyes, and lay your head on your hands.

Pretend to be sleeping.

Do you brush them side to side, like a rollercoaster ride?

Use your finger as a toothbrush and make a left to right brushing motion.

Also sway back and forth with your body making it feel like a rollercoaster.

Are your teeth clean and white?

Point with both hands to your mouth.

Finish Pointing to your mouth and making a big smile to show off your teeth!
